Timely Initiative Has Launched Five Sophisticated Buses To Provide Free Oxygen For Covid-19 Patients

Sattva Group, one of India's leading Real Estate companies, in association with Greenwood High International School, (the educational entity of the group) and Maharaja Agrasen Hospital, Bengaluru – has come up with a timely initiative to launch Five sophisticated buses which will provide free oxygen to people waiting to get a bed outside city hospitals. Each bus has been redesigned to accommodate 12 patients at any given time.

This initiative was inaugurated by Mr. R Ashoka, Hon'ble Minister for Revenue, Government of Karnataka in his constituency.
