Bengaluru: Salarpuria Sattva Group, India's leading Property Development, Management and Consulting organization, has launched their affordable housing project- Sattva Ashraya at Bidadi. Sprawling across lush green open spaces, the property is situated on the Bengaluru-Mysuru 10-lane Expressway stretching over 4.2 acres of land and is just 15 minutes away from the Rajarajeshwari Arch. Sattva Ashraya comprises of 4 well-planned towers with 660 elegantly designed, spacious homes. The fusion of modern living with nature is the highlight of the project, where one can choose from 1, 2, and 3 BHK apartments. With the upcoming smart city, manufacturing hubs and industries, Bidadi has become one of the most promising and sought after locations today.
